DATE MAILED:

**Please find below and/or attached an Office communication concerning this application or proceeding.**

**Commissioner for Patents**

The 'RESPONSE', filed on 18 March 2005, is considered non-responsive because of the incomplete reply to the 'NON-FINAL OFFICE ACTION', mailed 15 December 2005. The previous office action (pages 2-3 'REQUIREMENT FOR INFORMATION') required that Applicants provide all previous versions of the SafeTrace Tx Table Administration Manual v1.2.0.0, SafeTrace Tx User Guide, and SafeTrace Tx Reference Manual. Applicants have stated in the 'RESPONSE', filed 18 March 2005, that the only prior version was v1.1.1.0 with a publication date of October 1999 and have only provided copies of the index for each, which is considered insufficient. Therefore, in the absence of a complete copy of v1.1.1.0 the response is considered non-responsive. Applicants are reminded proper citation for references are to be listed on an 'INFORMATION DISCLOSURE STATEMENT'. Since the above-mentioned amendment appears to be a bona fide attempt to reply, applicants are given a TIME PERIOD of ONE (1) MONTH or THIRTY (30) DAYS, whichever is longer, from the mailing date of this notice within which to supply the omission or correction in order to avoid abandonment. EXTENSIONS OF THIS TIME PERIOD UNDER 37 C.F.R. § 1.136(a) ARE AVAILABLE.

Papers related to this application may be submitted to Technical Center 1600 by facsimile transmission. Papers should be faxed to Technical Center 1600 via the PTO Fax Center. The faxing of such papers must conform with the notices published in the Official Gazette, 1096 OG 30 (November 15, 1988), 1156 OG 61 (November 16, 1993), and 1157 OG 94 (December 28, 1993) (See 37 C.F.R. § 1.6(d)). The Fax Center number is 571-273-8300.

Any inquiry concerning this communication or earlier communications from the Examiner should be directed to Channing S. Mahatan whose telephone number is (571) 272-0717. The Examiner can normally be reached on M-F (8:30-5:00). If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Ardin Marschel, Ph.D., can be reached on (571) 272-0718. Any inquiry of a general nature or relating to the status of this application or proceeding should be directed to Legal Instruments Examiner Tina Plunkett whose telephone number is (571) 272-0549.

Patent applicants with problems or questions regarding electronic images that can be viewed in the Patent Application Information Retrieval system (PAIR) can now contact the USPTO's Patent Electronic Business Center (Patent EBC) for assistance. Representatives are available to answer your questions daily from 6 am to midnight (EST). The toll free number is (866) 217-9197. When calling please have your application serial or patent number, the type of document you are having an image problem with, the number of pages and the specific nature of the problem. The Patent Electronic Business Center will notify Applicants of the resolution of the problem within 5-7 business days. Applicants can also check PAIR to confirm that the problem has been corrected. The USPTO's Patent Electronic Business Center is a complete service center supporting all patent business on the Internet. The USPTO's PAIR system provides Internet-based access to patent application status and history information. It also enables Applicants to view the scanned images of their own application file folder(s) as well as general patent information available to the public.

For all other customer support, please call the USPTO Call Center (UCC) at 800-786-9199.
